The two-bedroom family cottages have been completely renovated and feature gas fireplaces, cable television, DVD/VCR, and new furnishing and furniture. They retain their rustic charm inside with wooden paneling and comfortable furniture while providing all of the luxuries of a modern lodge, including central heat & air-conditioning and free wireless internet. One bedroom has a queen-size bed. The second bedroom has a bunk bed with a double bed on the bottom, a single on top, and a single pull out trundle. The screened-in porch holds a picnic table and additional seating. Located about a mile from the lodge, the cabins are in a wooded setting with easy access to all the park has to offer; including indoor and outdoor swimming pools, game room, restaurant and lounge, 635 acre Acton lake, paintball * disc golf course and 19-hole championship golf course. Each cottage is equipped with a charcoal grill and fire ring.
